Fast Progress Tuition's

Functional Skills English and Maths, Life Skills and Resilience Programme.

About Us

- Specialists in achieving outcomes for children who have SEN needs and those suffer from anxiety.
- We are an education FAMILY, not just a centre.
- We have a purpose built centre designed for anxious specifically for anxious children.
- Holistic approach to teaching that incorporates academic studies with life and social skills which results in our students thriving not just surviving.
- We provide and facilitate successful pathways for our students resulting in Post-16 college/placements/ apprenticeships
- We are dedicated to achieving the best possible outcomes for our students.
- We are a Satellite exam centre under Jet Hairdressing Academy offering City and Guilds English and Maths which means that your child can sit their exams in our small centre.
- Work closely with families to provide best outcomes for their children.

Class size

Please note that spaces are limited to 6 students. This is to ensure that we can continue to give our students individualised support and maintain high standards.

The Course Objective

For ALL students to:

- achieve their Functional Skills qualification
- Obtain a college place/apprenticeship
- Have developed their confidence
- Improved their self-esteem

For Parents:

- Families feel supported
- Working together to create fantastic outcomes
